

The Creekside Home

This charming and peaceful 2 bedroom/1 bath home is part of the Buena Vista's Golf Course Community housing subdivision. The community offers many large trees for shade coverage and the year-around Cottonwood Creek is in the backyard of the house. A full kitchen, two bedrooms - each with a queen-size bed, a full bath, dining room, living room area, and a large fenced deck are available for your private use while you are lodging at the Creekside home. Cable TV, internet access and washer/dryer are in the house and available for your use. The public golf course is also within walking distance. Nearby are hiking trails, mountain scenery drives, shopping and restaurants as you'll only be 1 mile from the town of Buena Vista (and 1.2 miles from the office of Crossroads!). The house is renting for \$90 for the winter season and \$130 May through October, and with its two bedrooms, can accommodate a couple needing one or two bedrooms or two single adults. **NO SMOKING, CHILDREN, OR PETS.**

DIRECTIONS: From the stoplight in Buena Vista, go west toward the mountains (a.k.a. Main Street, Cottonwood Pass, and County Road 306). Approximately 1.3 miles from the stoplight, turn right onto Fairway Drive where the sign says 'Golf Course'. The house will be on the right-hand side approximately .5 miles from the entrance of the community.
